### **Geo tech work to cause delays on OR 18\Three Mile Lane bridge over S. Yamhill River**

Geotechnical exploration work continues and will cause some delays for travelers who use the Three Mile Lane Bridge over the S. Yamhill River. The bridge is located on the OR 18 spur section at milepost 46.66 along the southern city limits of McMinnville in Yamhill County.

During the work, one lane over the bridge will be closed from 7 a.m. to 6 p.m. Monday through Thursday, and from 7 a.m. to noon on Friday. Travelers can expect up to 20 minute delays. To avoid delays, travelers are encouraged to use alternative routes during the work. This exploration work is expected to be complete by September 21, 2016.

Oregon Department of Transportation geo tech specialists need to drill at the ends of the bridge structure to obtain foundation data for a future bridge replacement project. The bridge is expected to be replaced, but after 2019. The bridge was built in 1951.
